

Helping companies reduce IT  
infrastructure costs

navishaa.com

An Authorized Microsoft  
Solutions Provider

[www.navishaa.com](http://www.navishaa.com)

## WHO WE ARE

**Navishaa.com** is an enterprise solution provider that offers a wide range of Microsoft products and licenses including Microsoft 365, Microsoft Server, Microsoft Cloud Solutions, Dynamics 365, One Drive for business, and many more. As a leading Cloud Computing Integration company, we also offer Azure cloud integration and migration services. Whether you're an SME or a large enterprise, we have the solutions to help you maximize efficiency and productivity.

We began our operations Five years ago and have grown due to excellent relationships with our customers. We cater our solutions and services to every industry segment including finance, energy and resources, consumer products, media and technology.

We have a global presence with Aurigasoft US, GetMax.Ae and Navaida in UAE.

# WHAT WE DO?

**We help our customers gain maximum benefits and reduce cost to IT by providing them cost-effective cloud and business suite services:**

## **Microsoft 365 Solutions**

We offer cost-effective Microsoft 365 solutions that can make your technology more manageable while reducing the data security risks.

## **Cloud Integration**

Reduce your capital outlays for hardware, maximize security and increase productivity for your business by leveraging the power of cloud.

## **Website Designing Services.**

Your website is often the first point of contact for potential customers. Make sure it leaves a lasting impression with a beautifully designed and highly functional website.
